Principal’s Message

Unfortunately there are still some nasty viruses going around the community. The NSW Health Department have asked schools to remind parents to have their children immunized against whooping cough because it is becoming more and more prevalent among children. We have also had a tummy bug going around this week. We encourage children to always wash their hands before eating, as this simple routine can help cut out spreading sickness from one child to the next.

We have passed the half-way mark for our Kindergarten Orientation. Our new students appear to be settling in extremely well to ‘big school’. The program has provided these children with a good head start to school, making their transition a very easy one.

Swimming school has one more week to go. There always seems to be items of clothing left lying around after the lessons. Please ensure your child’s name is on every piece of clothing taken to the pool so if it does get left behind it can be returned.

SPECIAL AWARD: PRESENTED TO KIERAN 3/4L FOR RESPECTING HIS PEERS AND DEMONSTRATING GOOD BEHAVIOUR

This year 11th November marks the 97th anniversary of the Armistice which ended the First World War (1914–18). Each year on this day Australians observe one minute’s silence at 11 am, in memory of those who died or suffered in all wars and armed conflicts.

At Goulburn North Public School we recognise this special day by observing a minute’s silence at 11 am.
