Principal’s Message

There has been some confusion around what should happen if a child is away from school. All explanations for absences must be in writing. We ask parents to call the school to let us know if their child is away so that we know children are safe. It is possible for parents to send their child off to school, but, for one reason or another, the child doesn’t arrive. A phone call to from parents lets us know their child is safe.

The coming week will be the last week of the Kindergarten Orientation Program. Next year we are introducing a buddy program for Year 6 and next year’s Kindergarten students. Each new Kindergarten child will have a Year 6 student who will be their buddy for the year. We will arrange times for the buddies to get together to get to know each other. The program allows new students to have a special friend whose job is to help them when they need a hand. It builds a sense of responsibility in the older students and helps make the transition for the younger students a little smoother. Over all, it helps to create a positive school culture among all students.

We hope to see you there.

**First Day of School 2016**

Students first day of school for 2016 is Thursday 28th January for years 1 to 6. Kindergarten students start on Monday 1st February 2016. The Best Start program begins Thursday 28th January to please check your child’s starting time.
COSTUME DAY

The SRC raised an amazing $303.50 for our Lego collection. Thank you everyone!
Don't forget your Hat!

Please ensure that your child has a hat to wear each day at school during outside play. As part of our sun protection policy any students who don’t have a hat on whilst outside will be required to remain under the COLA for the duration of outdoor play.

Library News

As the year is drawing to a close, it is time to search under beds, in bags and in cupboards for any non-returned or overdue library books.
