Principal’s Message

The fireworks were spectacular! Congratulations to the organising committee, led by Mrs Nixon, who gave up their time and spent many hours working to make the event such a success. The weather held off for just enough time to allow what has been described as the ‘best ever fireworks display’. Thank you to community members, parents, students and staff who donated items and served on stalls throughout the night. We are lucky to have so many generous people to give assistance.

Last week we commenced our Anti-Bullying Program from K-6. This week the lessons are about forming healthy relationships and being a good friend. We are aiming to have students recognise their responsibility towards each other that they are part of a community and because of this they need to act in ways that are not anti-social. Good friends try to talk their friends out of fighting and help them feel good about themselves.

As the weather has become much cooler students are naturally wearing jumpers to school. After running around, the jumpers come off and they get left lying around the playground. If every jumper had a name on it, it would be simple to return them, however, we end up with a huge pile of discarded jumpers, a pile that seems to grow larger by the day. Please make sure your child’s jumpers have your child’s name clearly written on them so it is easier to return to them.

Leonie Pearson
Principal

Awards

Well done to all the students receiving awards at assembly last week.

Listening Award: 3/4R
Mrs O’Connell’s Award: Sam Winslet
Miss Hamilton’s Award: Sam Smith
Library Award: KH, 2O, 1M, 4/5A

Keeping Warm at School

It is about to get colder and children are going to start wanting their school jumpers, and sometimes at school, jumpers get mixed up. Could you please make sure your child’s name is on their jumper and if your child has picked up the wrong jumper could you please return it to school.
A friendly reminder that Lucky Book Club orders are due in this Friday 8th May.

Music Lessons

Children that are taking part in music lessons must try to remember the day and time they are to practice including bringing their instruments to the lesson.

Accidents at School and Sporting Events

If you child has an unfortunate accident while at school or any school event and an Ambulance needs to be called, your child is covered with Goulburn North’s Ambulance Insurance. You are not liable to pay any fees towards the travel to the hospital. If you have any queries please call the office.

Nits and Head Lice

We have had a few children at our school with Nits and Head Lice so please check your child’s hair and treat them as we do not want other children getting infested. Attached is a great information sheet for your information.

On Monday classes 5/6G and 2/3M were treated to a very special performance by a Magician from Rainbow Faces who wowed the students and teachers with some amazing tricks and illusions.
Cross Country

On Tuesday, we had our Cross Country Carnival at Wollondilly. The sun was shining and the wind was blowing which made the racing just a little more challenging. All children who ran the races put in an amazing effort.

Congratulations to all of our Race winners: Lachlan Scott, Paige Bissaker-Morgan, Noah Price, Taleah Pritchard, Trent Jeffery, Kiana Williams, Jayde Howard and Charlotte Kalazi.

We wish all of the children who are going to the District Carnival well.

Change of Details

We need to know if your child suffers from any medical conditions so we can respond appropriately. With the colder weather approaching we especially need to know if your child suffers from Asthma and if they require medication at school.

It is your responsibility to let the office know.

The school must be informed about any medication brought to school.

Happy Mother's Day!

We would like to wish all the Mums, Grandmothers, Aunties, Carers and all the other special people in the children’s lives a Happy Day on Sunday!
