Recently an expression of interest in ethics classes being held at Goulburn North PS was sent home to our families. Thank you to those who replied promptly. The closing date has passed. Contact details of parents who have indicated they would like to be volunteer ethics teachers have been sent to the NSW ethics program organisers. They will contact parents about training and the establishment of classes.

A reminder to parents to ensure all jumpers and hats have their child’s name clearly written on them. Names on lunch boxes and drink bottles are a good idea too. We have a growing pile of clothing and food containers being left lying around. If names were on them we would be able to return them to their owners.

If you would like your child to participate in the Eisteddfod, please complete the note being sent home and return it to Miss Hedges by the 23rd June.

Notes for parent teacher interviews will be sent home shortly. Please return the note promptly so a mutually convenient time for the meeting can be made.
