Principal’s Message

Thank you to the many families who visited our school on Monday as part of Education Week. Our senior choir and dance groups are performing at the GCOPS concert tonight (Thursday) as part of the celebrations for Education Week. Children have been working hard to perfect their items and will be ready to dazzle their audience. Thank you to our staff, Mr Taylor, Mrs Acunzo and Miss Morgan, for giving up lunchtimes to train our singers and dancers.

We are taking Kindergarten enrolments for 2016 now. If you have a child who is turning 5 before the 31st July, 2016, they are eligible to start Kindergarten next year. If you are unsure of whether to enroll your child or not, please feel free to contact me to discuss your child’s situation.

All students should have received a Dental Clinic form for permission to have your child’s teeth checked. The Dental Clinic will be visiting our school on Tuesday, 11 August and Wednesday, 12 August. This is a good opportunity to have your child’s teeth checked and be referred for further work if necessary. Please return your permission notes to ensure your child does not miss out.

Muddy Days

Please ensure your child has a change of clothes in their bag on a rainy day as the puddles are deep and we do not have spare clothing to have them change into.

Spelling Bee

Congratulations to all the 3-6 students who participated in the Spelling Bee on Tuesday. We have a fantastic group of spellers in our school. Our representatives for the Regional Finals are;

Juniors: Emily – 4/5A, Brady – 4/5A
Seniors: Aidan – 5/6G, Michael – 5/6T

The regional finals will be held in Bowral on 10\(^{th}\) September.

Electronic Devices

From time to time children need to bring a mobile phone to school, if they are being picked up from somewhere after school, or they are going home a different way. It is important that when this is the case, the children come to the office with their phone so that we can look after it through the course of the school day.

Children who misuse their phone at school could find themselves in serious difficulty. We have children at this school who cannot have their photo taken, children who send inappropriate text or multimedia messages could find themselves in positions they would rather not be in.

We have had occasions where the mobile phone, or other electronic devices have been damaged or lost. It is the policy of the NSW DET that no responsibility for damaged or lost electronic equipment will be taken by the school. We appreciate your support in this matter.

Library News

Thank you to all the families who supported our Book Fair. Our school will have earned a commission of about $600 thanks to your generosity. The winners of the colouring competition each received a voucher to purchase a book to the value of $15.00.

The winners were: Infants K-2 Natalie 1B Stage 2 (Years 3-4) Brady, 4-5A Stage 3 (Years 5-6) Laila, 5-6G
Well done to everyone who participated in the competition.
Woolworths have started earn & learn stickers again and Goulburn North would appreciate if you could collect them so we can get fantastic resources for the school. There are blank sheets in the children’s classrooms for them to start sticking them on, once the sheet is filled out they can put them in the box at the office or alternatively a Goulburn North box is located out the front of Woolworths. Happy collecting!

Please note that School Banking has now changed to Wednesday.

If your child brings their bank book on Thursday it will not be processed and must wait until the following Wednesday.

We apologize for any inconvenience.

Goulburn North presented parents and carers a fantastic Open Day extravaganza with Dancing and singing from the students. Mrs Acunzo, Miss Morgan and Mr Taylor had been working very hard during their lunch breaks with the students to put on a fabulous performance. Thank you to all the people who made the costumes and put together hairstyles that wowed the audience. It was a great day!

Well done Emily a fantastic performance!
