There are gifts suitable for Dad or Grandad.
Public Speaking

We had 8 public speakers who vied for a position in the upcoming Rostrum Public Speaking competition.

Kiana spoke about how the world is drowning in Coca Cola, Temperance told us why Mondays should be banned, Chris, Taylah, Mitchell and Josh all wanted to have superpowers and Alannah decided that if she could be anyone in the world that she would like to be herself.

Our school representative next Tuesday evening is Abbie who argued ‘Why and Why not Mondays should be banned’.

Congratulations to Abbie and good luck next week.

If anyone would like to see Abbie give her speech next week the Rostrum Public Speaking Competition will take place in our School Hall at 7:00pm next Tuesday 25th August 2015.

Talent Show

The Talent show is fast approaching so get your acts prepared and ready for a fun filled day with all different kinds of talent to be displayed. We are so excited and can’t wait for the action!

3B Assembly Item

This term 3B have been looking at Aboriginal Dreaming stories and symbols used in Aboriginal paintings. For our assembly item we retold the local Dreaming Story of how the Wombeyan Caves and Wollondilly River were created by Gurangatch and Mirrigan. The students wrote a script and came up with actions for our actors. The rest of the class interpreted the story using tapping sticks.
**Miss Hamilton's Groups**

Miss Hamilton and a group of children are looking through books for vowel blends. It is a great program that assists the students with their learning.
